Representing lawyers – especially partners with significant books, requires a level of expertise that few search firms possess. Esquire is one such firm.

“We would like to thank you for doing an outstanding job in facilitating the merger of Hosie Wes Sacks & Brelsford with Perkins Coie. The merger has exceeded our expectations. You have demonstrated what sets you apart from other legal search firms.”

“In facilitating the merger of Layman, Jones & Dye with Bryan Cave... the compatibility in clients, philosophy, management style and culture between the two firms is an excellent fit... outstanding job.”

“Esquire is one of the top legal search firms we work with – especially in the partner sector. Esquire has proven to be extremely responsive to our needs and has delivered on some of our toughest partner search assignments. Their market knowledge, law firm insights and depth of contacts have proven invaluable. They have been a pleasure to work with and their outstanding reputation is richly deserved.”

John Frankenheimer

“Esquire is far and away the most effective legal search firm we have ever worked with. Their representation of law firms in Las Vegas, Tucson and Phoenix and facilitating their mergers with LBBS was great work. In addition, they have placed more than 40 partners here since 1994. Esquire is the search firm we use on all high priority searches.”
